

All entries

Place Name	Location (SLURL)	Date Last Confirmed	Description	Tags	In SciLands?	Contact People (SL Names)	Related Link
ACS Island	slurl.com	January 17, 2010	SL home of the American Chemical Society (ACS), with exhibits and events by ACS members	ACS, chemistry, molecules, posters	<input type="checkbox"/>	Lirpa Dagger	acsisland.wordpress.com
Ann Myers Medical Center / Sprott Shaw College	slurl.com	January 17, 2010	AMMC was created to test the possibilities of virtual training for First Life medical and nursing students	hospital, healthcare, training, medicine, nursing	<input type="checkbox"/>	DoctorAnn Buchanan	ammc.wordpress.com
Astronomy at Info Island	slurl.com	January 21, 2010	A collection of astronomy resources assembled by librarians (mostly links to websites). Da Vinci's Observatory.	astronomy, references, observatory	<input type="checkbox"/>	Georgette Whitfield	
Avnet Technology Museum	slurl.com	December 12, 2009	A museum with a timeline of technology as seen by Avnet, a technology company. Includes a video.	history, museum, radio, technology, electronics, computers	<input type="checkbox"/>	Zee Pixel	www.avnet.com
BIOME	slurl.com	January 17, 2010	Biology island associated with Northern Michigan University (NMU). Assorted biology exhibits.	microscope, micro-organisms, biology, education	<input checked="" type="checkbox"/>	Clowey Greenwood	
Biomedicine Research Labs – Sbarro Health Research Organization	slurl.com	January 17, 2010	SL headquarters of Sbarro Health Research Organization. Includes reproductions of real laboratories	health, medicine, research	<input type="checkbox"/>	Alfa Roux	www.newswise.com
Caerleon Planetarium	slurl.com	February 4, 2010	The Dome interior recreates the night sky. You see the stars as if you were deep in the desert, far away from city lights and smog. Auxiliary screens effectively bring astronomers' large telescopes and space probes to your location.	astronomy, stars, planetarium	<input checked="" type="checkbox"/>	Jackson Drechsler	
Caledon Astrotorium	slurl.com	December 12, 2009	Star theatre (movie theatre among the stars), Astro-clock, float among the stars	astronomy, moon, planets, stars	<input type="checkbox"/>	Kenny Hubble	
Cami Lab	slurl.com	January 17, 2010	One of several biology lab modules created by Sione Gateaux. This one is about Mendelian Genetics. Cami is short for Caminalcules. Click the Teleport Node to visit the other lab modules.	genetics, biology	<input type="checkbox"/>	Simone Gateaux	slbiology.blogspot.com
CDC – US Centers for Disease Control and Prevention	slurl.com	January 17, 2010	SL Headquarters of the CDC. Includes conference center, virtual lab, informational videos, posters, etc.	health, medicine, disease, CDC	<input type="checkbox"/>	Hygeia Philo	www.cdc.gov
Center for Water Studies	slurl.com	January 17, 2010	Headquarters of the SL group named Center for Water Studies	water	<input type="checkbox"/>	Delia Lake	
Chemistry Corner	slurl.com	January 17, 2010	Assorted chemistry displays at Drexel University sim. Explore the sim for more	chemistry, molecules, posters	<input type="checkbox"/>	Horace Moody	
Conservation Island	slurl.com	January 17, 2010	World Wildlife Fund (WWF) project in SL	nature walk, animals, conservation	<input type="checkbox"/>	Davey Hilra	www.wwf.org
Consumer Health Library	slurl.com	January 17, 2010	Provides training programs, outreach to virtual medical communities, important consumer health resources, and one-on-one support to Second Life residents	consumer health, healthcare, outreach	<input type="checkbox"/>	Carolina Keats	infosland.org
Deckard & Quinn Co.	slurl.com	January 17, 2010	Assorted Victorian-era scientific apparatus and equipment for sale	steampunk, victorian, steam engine, steam, armor, laboratory, lab, equipment, electrical, device, machine, jacob's ladder, arcing, arc, insulators, carriage, gatling gun, ether, etheric, aether, Tesla, clockwork	<input type="checkbox"/>	Maklind Deckard, Royce Quinn	
Deep Sea Marine Aquarium and Sea-Life Centre	slurl.com	January 17, 2010	Aquarium and museum about sea-life. Click the ball to enter the underwater tunnel	sea-life, fish, sharks, crabs, corals, seas, oceans, whales, marine	<input type="checkbox"/>	Kaikou Splash	
Department of Energy (DOE) Island	slurl.com	February 1, 2010	Chase a proton around the accelerator rings at CERN / LHC until they collide inside a big detector. Find out about real jobs at the DOE. Models of Renewable Energy Sources.	particle accelerator, atom smasher, energy, US government agency, energy sources	<input checked="" type="checkbox"/>	Energy Heliosense, Edwin Alekseev, Hackshaven Harford	www.vimeo.com
Dinosaurs Park	slurl.com	January 17, 2010	Inspired by the movie 'Jurassic Park'	dinosaurs, dinosaur avatars, lab	<input type="checkbox"/>	Nargus Asturias	narguslab.com
Earth Model	slurl.com	January 17, 2010	A giant model of planet Earth made with sculpts and showing realtime cloud cover. FLY UP.	earth, weather, globe, geography	<input type="checkbox"/>	Zora Spoonhammer	nwn.blogs.com
Elucian Islands	slurl.com	January 21, 2010	Home of the Nature Publishing Group in Second Life	SciFoo Lives On, cafe, posters, displays, 3D models	<input type="checkbox"/>	Joanna Wombat, SecondLou Skytower	www.nature.com
Elucian Islands Village	slurl.com	January 17, 2010	Operated by Nature Publishing Group. There are 20 free residences for anyone interested in having a more permanent home on the Elucian Islands. As well as generous 32m x 32m multi-level plots, includes central meeting rooms – ideal for educational or business projects.	science, community, projects	<input type="checkbox"/>	SecondLou Skytower	www.nature.com
Elucian Omega	slurl.com	January 17, 2010	Replica of Charles Darwin's Beagle (ship). There is a game / quest on the sim as well. Created by Nature Publishing Group.	Darwin, Beagle, Game, Island, Galapagos, Evolution	<input type="checkbox"/>	SecondLou Skytower, Joanna Wombat	www.nature.com
Energy Paths	slurl.com	January 17, 2010	Exhibition about energy sources, sustainability	solar power, wind power, tidal power, sustainability	<input type="checkbox"/>	Bjerkel Eerie	commonwealthisland.ning.com
Erich Bremer's Molecule Rezzor (Monolith)	slurl.com	January 19, 2010	A modern, fast molecule rezzor for SL. Look up in the air to see some big molecule models (maybe).	chemistry, atoms, molecules, visualization	<input type="checkbox"/>	Erich Bremer	secondlife.som.stonybrook.edu
Exploratorium sim	slurl.com	January 19, 2010	Associated with The Exploratorium (museum of science, art and human perception in San Francisco). Be sure to explore the exhibits up in the sky.	science center, Mars asteroid impact, Big Bang, amphitheatre	<input checked="" type="checkbox"/>	Patio Plasma, Pepto Majestic	www.exploratorium.edu
Genome sim	slurl.com	January 19, 2010	Genetics sim associated with Dr. Mary Anne Clark (Max Chatnoir in SL) at Texas Wesleyan University.	genetics, molecular genetics, biology, Mendel, DNA, cells, genomes	<input checked="" type="checkbox"/>	Max Chatnoir	web.txwes.edu

Place Name	Location (SLURL)	Date Last Confirmed	Description	Tags	In SciLands?	Contact People (SL Names)	Related Link
Geometrical Art by Wizard Gynoid	slurl.com	January 23, 2010	3D geometrical art for sale at The Omni Market & Art Gallery	geometry, art	<input type="checkbox"/>	Wizard Gynoid	
Hearth Murmur Sim – Cardiac Auscultation Training Concept	slurl.com	January 19, 2010	A place where one can learn to distinguish the sounds of healthy and diseased heartbeats	training, heartbeat, stethoscope, healthcare, medicine	<input type="checkbox"/>	Jeremy Kabumpo	sl.nmc.org
Hypercube	slurl.com	January 17, 2010	A projection of the 4–dimensional hypercube into 3–dimensional space, animated	mathematics, geometry, polytope	<input type="checkbox"/>	Seifert Surface	www.segerman.org
IBM Seives Sciences, Management and Engineering (SSME)	slurl.com	January 17, 2010	Building associated with SSME on IBM's Almaden sim	services sciences, IBM	<input type="checkbox"/>	Jampa Babeli	www.research.ibm.com
IEEE Artificial Intelligence Learning Center	slurl.com	January 21, 2010	Information on a wide range of AI technologies from free open source solutions to high–end AI used by government, academia, and private industry. IEEE hopes that virtual world AI applications can help AI to be better understood and its potential more fully realized.	Artificial Intelligence, AI	<input type="checkbox"/>	Joey Aboma, Thomasalva Ewing	www.hypergridbusiness.com
Illinois State University Geography–Geology Department	slurl.com	January 20, 2010	Models, exhibits, and meeting places all being used to teach students at Illinois State University. There are things to see at various altitudes.	geology, geography, natural disasters, crystal systems, types of faults	<input type="checkbox"/>	Zeppo Romano, Neosome Anatine	www.cat.ilstu.edu
Imperial College London	slurl.com	January 19, 2010	Medical procedure training simulation created by Imperial College London. See the "Related Link" for details.	medicine, diagnosis, procedure, simulation, training, respiratory ward	<input checked="" type="checkbox"/>	Davee Commerce	www.massively.com
Institute of Geography, University of Duisburg–Essen	slurl.com	January 30, 2010	Appears to be an experiment in the use of SL by someone at the University of Duisburg–Essen. On the sim named "European Science".	geography	<input type="checkbox"/>	Cathrin Laville	www.forschungsbericht.uni-due.de
Institute of Physics (IoP) Experimental Plot	slurl.com	January 19, 2010	Parcel where the IoP is experimenting with Second Life	telescopes, displays, experiments	<input type="checkbox"/>	Phenomenon Young	physicsworld.com
International Spaceflight Museum (ISM)	slurl.com	January 19, 2010	Two sims. Life–sized models of spacecraft and rockets of the past, present and future. Planetarium. Vehicle Assembly Building.	space, spacecraft, rockets, planets, planetarium, VAB	<input checked="" type="checkbox"/>	Paradox Olbers	slispaceflightmuseum.org
International Year of Astronomy 2009 sim	slurl.com	January 19, 2010	The SL home of the International Year of Astronomy (2009). It continues to be open in 2010.	astronomy, space, IYA, IYA2009	<input checked="" type="checkbox"/>	Urania Fizzig	www.astronomy2009.org
Jet Propulsion Laboratory (JPL) Explorer Island	slurl.com	January 19, 2010	The SL home of JPL. Models of JPL spacecraft. Model of Victoria Crater (on Mars). Martian dust devils. Events.	spacecraft, spaceflight, space exploration, planets, astronomy	<input checked="" type="checkbox"/>	Jet Burns, Devery Barrymore	www.jpl.nasa.gov
Kira Cafe	slurl.com	January 19, 2010	Kira Café is a casual, friendly place to meet, connect and talk in Second Life Located at the center of the Kira Campus, visitors come together to talk about science and other ways of knowing to promote an interdisciplinary understanding of human knowledge and experience.	discussion	<input type="checkbox"/>	Pema Pera, Caledonia Heron	www.kira.org
Library and Archives, NASA CoLab	slurl.com	January 18, 2010	The primary mission of the library and archives at NASA CoLab is to house and make available to the public records and other documentation relating to the NASA CoLab organization in Second Life. Displays include digitized, born digital, and born virtual materials such as the mission statement, meeting minutes, archival photographs and documents, 3–D objects such as books, planes, space suits and flight suits. Historical emphasis is on the history of women, African–Americans, and the working class in aeronautical and astronautical history, as well as Apollo 11 and Space Medicine.	NASA, CoLab, Library, Archives, Records, History, Flight, Aerospace, Aeronautics, Astronaut, Pilot, Airplane, Space, Astronomy, Science	<input checked="" type="checkbox"/>	Archivist Llewellyn	
LifeArt Gallery	slurl.com	January 17, 2010	Dozens of posters and 3D models, all mathematically inspired	math, art, education, sculpture	<input type="checkbox"/>	Beacara Boa, Seifert Surface	
Linnaeus Room at the Swedish Institute	slurl.com	January 19, 2010	Built to celebrate 300th anniversary of the birth of the Swedish scientist Carl Linnaeus. Also teleport to the Linnaeus Garden	botany, biology, sweden, flowers, garden	<input type="checkbox"/>	Unknown	www.linnaeus300.com
Living in the Universe	slurl.com	January 19, 2010	History of Earth & Life on the Earth. A walking tour telling the story of Earth: formation, cooling, ocean formation, emergence of life and more. An U. of Arizona student project	earth, geology, planetology, evolution	<input type="checkbox"/>	Urania Fizzig	sl.nmc.org
Magnuz of Sweden Sky Planetarium	slurl.com	January 19, 2010	Planetarium and exhibits about planets, stars, black holes, and galaxies, including an automated guided tour	astronomy, planets, stars, galaxies, space	<input type="checkbox"/>	Magnuz Binder	www.ogleearth.com
Mars Institute	slurl.com	January 19, 2010	SL headquarters of Mars Institute	mars, exploration	<input checked="" type="checkbox"/>	Kenji Aero	www.marsinstitute.info
Medical Examiner's Office	slurl.com	February 4, 2010	Simulation of a forensic pathology service, built by a RL forensic pathologist. (In real life, pathologists have the final word on health, disease, and all questionable deaths.)	forensic pathology, anatomy	<input type="checkbox"/>	Edd Thor	
Meta Institute for Computational Astrophysics (MICA) sim	slurl.com	January 19, 2010	The SL home of MICA, with many meeting areas and displays, see http://mica-vw.org	astrophysics, astronomy, space	<input checked="" type="checkbox"/>	Curious George	mica-vw.org
Model of Apollo 11 Moon Landing Site	slurl.com	January 19, 2010	A recreation of the Apollo 11 Moon landing site, including the Eagle lander, the US flag and several experiments	Apollo 11, moon, spacecraft, space, spaceflight, NASA, Neil Armstrong, Buzz Aldrin	<input checked="" type="checkbox"/>	Chaac Amarula	en.wikipedia.org
MoonWorld	slurl.com	October 15, 2009	NASA Classroom of the Future project in Second Life. Start at the Lunar Orbiting Station then go down to the Moonbase, get into a spacesuit, and go out to explore the surface with special tools (provided).	Moon, Lunar, Exploration	<input checked="" type="checkbox"/>	Frecka Salsman	www.avatrian.com
Museum of Natural History of Vienna	slurl.com	January 19, 2010	Inspired by the one in Vienna, Austria	museum, natural history, dinosaurs	<input type="checkbox"/>	Marso Mayo	www.nhm-wien.ac.at

Place Name	Location (SLURL)	Date Last Confirmed	Description	Tags	In SciLands?	Contact People (SL Names)	Related Link
Museum of Natural History, University of Florence, Italy, SL branch	slurl.com	January 19, 2010	Now showing an exhibition called "MASKIO. The nature of man." about manhood, masculinity, manliness, virility	museum, natural history	<input type="checkbox"/>	Crlo Mayo	www.msn.unifi.it
Museum of Robots	maps.secondlife.com	March 5, 2010	Dedicated to the appreciation of robots. Its mission is to promote understanding of the place of robots in popular culture, art, and science. This mission is realized through permanent and special exhibits, entertainment, and events.	robots	<input type="checkbox"/>	Bibi Bayliss	www.MuseumofRobots.com
M. C. Escher's "Stars"	slurl.com	January 23, 2010	A giant 3D model of chameleons climbing inside a geometric structure, inspired by M. C. Escher's geometry-inspired print "Stars"	geometry, mathematics, art, sculpture	<input type="checkbox"/>	Wizard Gynoid	
Nanotechnology Island	slurl.com	January 19, 2010	The nanoscience & nanotechnology hub of Second Life, sponsored by the UK's National Physical Laboratory (NPL)	nanotechnology, nanoscience, nanotubes, nanoparticles, buckyballs, C60, graphene, Newton's Apple Tree	<input checked="" type="checkbox"/>	Bing Villiers	nanoisland.wordpress.com
NASA CoLab sim	slurl.com	January 19, 2010	SL home of the NASA CoLab project, assorted exhibits and meeting spaces	space exploration, spaceflight, rockets, spacecraft	<input checked="" type="checkbox"/>	Jet Burns, Devery Barrymore	colab.arc.nasa.gov
NASA eEducation Sim	slurl.com	January 19, 2010	SL entry point for NASA Education projects, operated by NASA Learning Technologies	space, spacecraft, exploration, education, technology	<input checked="" type="checkbox"/>	Greyark Hightower	education.nasa.gov
NASA Glennopolis	slurl.com	November 4, 2009	SL sim associated with the NASA John H. Glenn Research Center at Lewis Field. It exists to educate the public about the work performed by NASA Glenn and for education.	NASA, jet engines, propulsion, drop tower, wind turbines, acoustic test rig	<input checked="" type="checkbox"/>	Allen Farquart	www.nasa.gov
NMC Research Park sim	slurl.com	January 21, 2010	A New Media Consortium sim with a holodeck, medical simulation, offices, arboretum, amphitheater	research park	<input type="checkbox"/>	Larry Pixel	www.nmc.org
NOAA's First Sim, Meteora	slurl.com	January 21, 2010	US National Oceanographic and Atmospheric Administration (NOAA) island 1	tsunami, melting glacier, hurricane, weather balloon, sea life, real-time weather map	<input checked="" type="checkbox"/>	Hackshaven Harford	www.esrl.noaa.gov
NOAA's Second Sim, Okeanos	slurl.com	January 21, 2010	US National Oceanographic and Atmospheric Administration (NOAA) island 2	algal bloom, oil spill, submarine tour, ferry tour, coastal survey, marine sanctuary	<input checked="" type="checkbox"/>	Hackshaven Harford	www.esrl.noaa.gov
OKAPI Island	slurl.com	January 30, 2010	Team OKAPI and Berkeley archaeologists mirror the prehistoric village, museum and archaeology in action at Catalhoyuk, Turkey.	archaeology research, education, public outreach	<input type="checkbox"/>	Zed Marseille, Clementine Glass	okapi.wordpress.com
OneClimate sim	slurl.com	January 21, 2010	Displays and events with a focus on climate change and related topics	climate change, global warming, greenhouse gases	<input type="checkbox"/>	OneClimateCoordinator Sol	www.oneclimate.net
Planck Satellite Exhibits	slurl.com	January 21, 2010	You may have to fly up to this exhibition (wearing a flight assist band or feather.) A scale model of the Planck Satellite, an explanation of the Lagrange points, and more.	satellite, space, cosmology, ESA, CNES	<input type="checkbox"/>	Emileigh Starbrook, Justin Biziou	www.imarginal.com
PopSci Future Lounge	slurl.com	January 21, 2010	The Second Life home of PopSci.com (the Web site of Popular Science Magazine)	future concepts	<input type="checkbox"/>	Versu Millionsofus	popsci.typepad.com
Raymaker Field Studies Centre at Praxis	slurl.com	February 17, 2010	Exhibits, models and simulations of various geographical and geomorphological phenomena. Examples are a Climate Change / Reef Health simulation, an earthquake simulation, a rapids-ride, a volcano, and a mangrove ecosystem.	geography, geomorphology, climate change	<input type="checkbox"/>	watcher Castaignede, Constantine Loire	
Reef Ball Foundation	slurl.com	January 21, 2010	SL home of the Reef Ball Foundation, a nonprofit working to rehabilitate marine reefs using artificial reef modules	coral reefs, marine, seas, oceans	<input type="checkbox"/>	Todd Braver	www.reefball.org
RIT Physics Exhibits	slurl.com	November 23, 2009	Projectile motion is illustrated by cannons that you can adjust and fire. There are air tracks to illustrate accelerated motion. The exhibits were created by a teacher at the National Technical Institute for the Deaf at Rochester Institute of Technology (RIT).	projectile motion, cannons, acceleration	<input type="checkbox"/>	Oddprofessor Snoodle	www.ntid.rit.edu
Science Center	slurl.com	January 21, 2010	Home of the SL group named Science Center. Their most useful resource is their website at http://sites.google.com/site/slscgroupsite/	science	<input type="checkbox"/>	Troy McLuhan	sites.google.com
Science Friday (Radio Show) sim	slurl.com	January 21, 2010	SL home of Science Friday, the weekly radio show on NPR. They broadcast live into SL on Fridays from 11am-1pm Pacific Time	science news, interviews, discussion	<input checked="" type="checkbox"/>	Bjorlyn Loon, SciFri Frog, Ira Flatley, JoePalca Burger	www.sciencefriday.com
Science in 3D	slurl.com	January 21, 2010	A project of Potsdam University in Germany. Virtual Worlds as Innovative Training Platform for Entrepreneurs in Life Science.		<input type="checkbox"/>	Miracle Moo	www.science-in-3d.de
Science School sims	slurl.com	January 21, 2010	Three sims associated with the U. of Denver (DU). Science School has recreation of Meyer-Womble Observatory. Science School II has nuclear reactor.	astronomy, physics, nuclear reactor, Science Friday	<input checked="" type="checkbox"/>	zazen Manbi	www.du.edu
Sci-Fi and Fantasy Portal on Info Island	slurl.com	January 21, 2010	Science Fiction & Fantasy books, exhibits, web resources, Book of the Month discussion, Film discussions, Meet the Author events, ethnic authors displays, many other displays including Hugo and Nebula Award winners.	Sci-Fi, Science Fiction, Books	<input type="checkbox"/>	Franja Russell	
Second Health Polyclinic	slurl.com	January 21, 2010	Two sims. Life-size model of a polyclinic proposed for London, England. Explanatory videos	polyclinic, healthcare, medicine, NHS	<input checked="" type="checkbox"/>	Davee Commerce	secondhealth.wordpress.com
Second Physics	slurl.com	January 14, 2010	Second Physics has the mission of science dissemination in SL. Many members of the Second Physics group are in Italy.	physics	<input type="checkbox"/>	Talete Flanagan	
Shop for Steampunk Mad Scientists	slurl.com	January 23, 2010	Time machines, lightning machines, electrical gadgets, gizmos and control panels		<input type="checkbox"/>	ambiant Kululcan

Place Name	Location (SLURL)	Date Last Confirmed	Description	Tags	In SciLands?	Contact People (SL Names)	Related Link
SL Medical Library	slurl.com	January 21, 2010	Informational displays about medicine and healthcare. Part of the Second Life Library.	medical science, medicine, healthcare	<input type="checkbox"/>	Namro Orman	infoisland.org
SmarterEarth	slurl.com	February 17, 2010	Museum of Earth-friendly technologies. A project of the Smarter Earth Institute. Space solar power exhibit.	Sustainability	<input type="checkbox"/>	Hermit Barber	www.smarterearth.org
Social Simulation Research Lab	slurl.com	June 12, 2008	Their SL location doesn't exist anymore but their website (see the Related Link) still has many good references on social sciences & virtual worlds.	social science, virtual community, cyberspace	<input type="checkbox"/>	Mynci Gorky	mypages.surrey.ac.uk
Space Frontier sim	slurl.com	January 21, 2010	New rocket ships and old space planes, fly-in movie screen, secret sky workshop. Frontier Astronautics repurposed missile silo	rockets, planes, sandbox	<input checked="" type="checkbox"/>	Rocket Sellers, Jimbo Perhaps	
Space Studies Institute sim	slurl.com	January 21, 2010	A pathfinder project by the Space Studies Institute	spacecraft, rockets, hangars, windmills, radar, space solar power	<input checked="" type="checkbox"/>	Rocket Sellers, Jimbo Perhaps	ssi.org
Spaceport UK	slurl.com	January 21, 2010	Information about Britain's role in astronomy and space exploration	space, astronomy, telescopes, rockets, spaceflight	<input type="checkbox"/>	Aso Galicia	
Spindrift Island	slurl.com	January 21, 2010	Space music museum, space art, model of Larry Niven's ringworld, The 1st Question! (show), SpinSpace Gallery	space, astronomical art, IAAA, SpinSpace Gallery	<input checked="" type="checkbox"/>	Paradox Olbers	spindriftisland.wordpress.com
SpoLand	slurl.com	January 21, 2010	Museum with dozens of science exhibits. Associated with The Exploratorium	comet, pendulum, optical illusion, pi day	<input checked="" type="checkbox"/>	Patio Plasma	www.exploratorium.edu
Star Trek Museum of Science	slurl.com	January 21, 2010	Museum about the science associated with Star Trek (science fiction)	space exploration, stars, planets, astronomy, physics, spaceflight, astrometrics	<input type="checkbox"/>	Sabri Piccard	slifx.com
Starlight: Celestial Visions, a Photography Exhibition	slurl.com	January 20, 2010	A collection of astronomical photos by John Goldsmith. Hosted by the University of Western Australia.	astronomy, photography, space	<input type="checkbox"/>	Dragonmage Bogan	events.uwa.edu.au
Stomach Museum	slurl.com	January 21, 2010	Basic visual information on stomach diseases, including benign gastric ulcer and carcinoma	anatomy, stomach, ulcer, cancer	<input type="checkbox"/>	Cha Klaar	
St. Michel – The Jules Verne Museum	slurl.com	January 30, 2010	A museum to honour the life and creative works of the 19th century French author Jules Verne, who is considered one of the founders of science fiction. Don't miss the part in the sky around http://slurl.com/secondlife/Lily/218/214/512	submarine, ocean, travel, science fiction	<input type="checkbox"/>	Veritas Raymaker	en.wikipedia.org
Sustainable Energy Science Lab	slurl.com	January 23, 2010	EnergyTeachers.org (ETO) is a Real-Life network of educators interested in energy production and use. Solar Sierra and Windy Schor are Second Life avatars that help educators and the general public, in SL, learn about energy. They represent ETO in SL with workshops, builds, scripts, events, asking and answering questions, and scholarship.	sustainable energy, science	<input type="checkbox"/>	Solar Sierra, Windy Schor	energyteachers.org
Svarga	slurl.com	January 23, 2010	Island with simulated interacting rain, plants, and animals. Amazing architecture. It was gone from SL for a while. It was on the SL map as of Jan 23, 2010 but I couldn't teleport there.	artificial life, ecosystem, Alife, ecology	<input type="checkbox"/>	Laukosargas Svarog	nwn.blogs.com
Synthetic Biology Interactive (SBI)	slurl.com	December 3, 2009	An educational resource for students new to synthetic biology. A meeting place for students in the iGEM competition (International Genetically Engineered Machines Competition). A project of the University of Calgary's iGEM team. SBI is divided into three major components: The Synthetic Kingdom, the Biobrick Simulator, and the Virtual Labs.	synthetic biology, genetic engineering, iGEM	<input type="checkbox"/>	Pathogen Monocular, Ovaltine Calamity	2009.igem.org
TejanoTech	slurl.com	January 23, 2010	The virtual home of the University of Texas at San Antonio (UTSA) which is quickly becoming a vibrant center of interdisciplinary and culturally situated STEM education in SL	STEM education, university	<input checked="" type="checkbox"/>	constructivist Solo	www.utsa.edu
Testis Tour	slurl.com	January 23, 2010	Ride a vehicle to tour giant animated models of the male testis, with text explanations. Ohio State University medicine project	gynecology, anatomy, physiology, medicine	<input type="checkbox"/>	DrDoug Pennell	
The Abyss Observatory	slurl.com	January 22, 2010	A museum of ocean science and technology, which also celebrates the sense of wonder about the mysteries of the deep sea.	submarines, oceanography, sea, ocean monitoring, historical submersibles	<input checked="" type="checkbox"/>	Yan Lauria, Rezago Kokorin	chikyu-to-umi.com
The Living Cosmos – Book Exhibition	slurl.com	January 23, 2010	Exhibition about the book The Living Cosmos by Chris Impey. Videos, audio recordings, posters	astrobiology, astronomy	<input type="checkbox"/>	Alan Myhre	www.thelivingcosmos.com
The Naked Scientists' SL Home	slurl.com	January 23, 2010	SL home of the BBC Radio science show "The Naked Scientists" (broadcasts into SL on Sundays at 6pm UK Time, which is usually 10am Pacific Time)	radio show, news, discussion	<input checked="" type="checkbox"/>	Bing Villiers, Dagger Cioc	www.thenakedscientists.com
The Tech	slurl.com	January 23, 2010	Sim associated with The Tech Museum of Innovation in San Jose, California	science exhibits, tours, sandbox, exhibitions, videos	<input checked="" type="checkbox"/>	Stephe Roux, Agent Heliosense	www.thetech.org
Thomson Scientific sim	slurl.com	January 23, 2010	SL home of Thomson Scientific (part of Thomson Reuters)	scientific knowledge, information	<input type="checkbox"/>	Jeff Warburton	scientific.thomson.com
Tox Town at the Virtual National Library of Medicine (NLM)	slurl.com	January 23, 2010	A town with information about where toxic chemicals can be found. Note: The NLM is part of the US National Institutes of Health (NIH)	toxic chemicals, environmental health, toxicology, chemistry	<input checked="" type="checkbox"/>	Toxie Cortes	toxtown.nlm.nih.gov
TRUTHS Satellite Exhibit v2.0	slurl.com	January 23, 2010	Exhibit about a proposed satellite named TRUTHS (Traceable Radiometry Underpinning Terrestrial- and Helio- Studies). Exhibit sponsored by the UK's National Physical Laboratory (NPL).	climate change, measurement, spacecraft, space, light, radiometry	<input checked="" type="checkbox"/>	Bing Villiers	www.npl.co.uk
